**IRRIGATION & CAD (PW: REFORMS) DEPARTMENT**

**G.O.Ms.No.201**

**Date:17-10-2008**

**Read the following:-**

From the Engineer-in-Chief (Irrigation) Hyderabad Letter.No.ENC (I) DCE-IV/OT GDS/AE.12/Industries/SWCC Vol, dated 12.9.2008

**ORDER:-**

In the circumstances reported by the Engineer-in-Chief (Irrigation) in the reference read above, Government after careful examination of the matter hereby accord permission for the drawal of 2 MLD of water (or) 0.82 Cusecs (approx) from Coringa Island Project Canal in Tallarevu Mandal by M/s Gujarat State Petroleum Corporation Limited for its erecting well Head Platform (WHP), laying sub-sea pipeline for transportation of Gas and condensate storage plant and allied facilities at Mallavaram Village, Tallarevu Mandal East Godavari District, subject to obtaining of permission from District Collector, East Godavari District and Andhra Pradesh Pollution Control Board and subject to payment of water royalty charges as fixed in G.O.Ms.No.39, Irrigation & CAD (PW) Department dated 2.4.2002 for consumptive use for industrial purpose and the at rates as fixed by Government from time to time and subject to the following conditions:-

**Conditions:-**

1. Actual water drawals from CIP Canal shall be commenced after completion of Modernization of Canal system
2. The water can be spared on the availability of water in the Coringa Island Project Canal
3. The entire cost of construction of Pump House, pipelines, excavation etc., should be borne by the user only
4. Water meters or suitable measuring devices should be installed by the Industry at their own cost to measure the water consumed and should be made available to the Department authorities and the representatives of the user shall be present at all times for inspection.
5. The Industry should pay water rate at the existing rates subject to revision by the Government from time to time. In case of failure to pay water rate / royalty the permission to draw water shall stands cancelled
6. No field bodhi or pipeline shall be taken through or along the Government land without approval of Government and if permission is accorded by the Government the lease of Government land should be paid by the Company as fixed by Government only.
7. The Industry shall obtain the prior concurrence of concerned Departments for laying pipelines, crossings etc.
8. The Industry should make their own arrangements for supplementation of water in their premises only.
9. The Industry should make their own arrangements to dispose the treated effluents as per norms of Andhra Pradesh Pollution Control Board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in the natural sources

10. The Irrigation Department reserves the right for cancellation of the permission without assigning any reasons thereof.
  11. The Irrigation Department is not responsible for non-supply of water due to any reasons.
  12. The Industry must acquire the private land for installation of pumping arrangements.
  13. The water drawn from the Coringa Island Project Canal should be utilized for the purpose for which permission is granted. Any misuse in this regard will entail cancellation for the permission without any notice and liable for imposition of penalty.
  14. The Industry should follow the Revenue Board Standing Orders
  15. The Industry shall pay security deposit at 2.5% on ten years water charges, for which permission is granted
  16. The permission shall be for a period of 10 years (ten) only and the permission shall be renewed well in advance before the expiry of permission
  17. The Industry shall pay one year water charges as advance before entering into agreement.
  - 18. The Industry should follow the G.O.Ms.No.39, I&CAD (PW) Department dated 2.4.2002 and shall pay royalty at the rate of Rs.4.50 per 1000 gallons as the water is for consumptive use.**
  19. The Industry should make its own arrangements for summer storage during the canal closer periods
  20. The Industry has to conclude an agreement with the concerned Superintending Engineer Irrigation Circle Dowlaiswaram, as per Board Standing Orders.
  21. A detailed plan showing the location, the intake arrangements, details of pump-house, conveyance system etc., shall be furnished to the Department.
  22. The Industry shall abide any other condition laid down by the Government / Department from time to time.
  23. The Industry shall pay water charges for the water estimated quantity in advance at the start of the financial year i.e. before 10<sup>th</sup> April every year.
2. The Engineer-in-Chief (Irrigation) shall take necessary further action in the matter.
